

nature MASTERCLASSES

Workshop in Scientific Writing and Publishing

Learn how to publish in top journals.

Presented by the chief editors from the Nature Medicine and Nature Metabolism.

Who should attend?

Postdocs and young group leaders having first author publications.

Bring your own draft abstract to discuss with the editors!

Skills gained

- Develop writing skills and confidence — 91% feel "more confident in writing manuscripts"
- Understand editorial processes and what editors look for in papers
- Learn best practices for submitting a paper and completing a peer review

November 4-5, 2019

Berlin

Course free of costs.

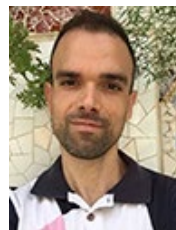

Accommodation on own expenses.
